Intermediate Chamber Music Workshop

Details:

Time: 9:30-11:30am (Mon - Fri)

Location: Affordable Music Studio

Cost: \$300

Sessions Offered:

1. August 3rd to 7th

Class Description:

This week-long day camp is designed for intermediate music students eager to deepen their skills through small ensemble performance. With intentionally small class sizes, participants receive focused guidance from an experienced instructor while collaborating closely with peers.

Students will develop essential chamber music techniques, including balancing ensemble sound, interpreting and analyzing scores, and understanding their individual role in shaping a cohesive musical performance. Emphasis is placed on active listening, communication, and musical expression within a group setting.

The workshop is best suited for students with at least three years of experience on their instrument. However, motivated students with slightly less experience may be considered if they demonstrate strong sight-reading skills, solid playing ability, and a willingness to learn.

We welcome students of orchestral strings, woodwinds, brass, and piano.

This day-camp is open to students ages 14-17.
